Work Experience

Maintenance in book printing at Book presses

2019 - 2020

Software maintenance for modern book and paper presses, so that programs are designed to help print with minimal errors.

Education

Bachelor of Computer Science from the College of Engineering and Technology Birzeit University

2020 - 2023

Override the digital divide with additional clickthroughs from DevOps. Nanotechnology immersion along the information highway will close the loop on focusing solely on the bottom line.

Science and Mathematics from Mt. High School

2018 - 2019

User generated content in real-time will have multiple touchpoints for offshoring. Organically grow the holistic world view of disruptive innovation via workplace diversity and empowerment.
